

The City Temple of Baltimore (Baptist)

Rev. Dr. Grady A. Yeargin, Jr. *Pastor*

4TH SUNDAY PERFORMING ARTS COMING IN 2020!!

To enhance City Temple's worship experience and community outreach, beginning in 2020, City Temple will introduce Performing Arts Sunday, a special and exciting addition to our music ministry. On the 4th Sunday of each month, the worship service will consist of artistic talent from various venues to include City Temple members and talent from the community. Categories of artistic talent might include solo or ensemble sacred, classical, spiritual or hymnal jazz vocal and instrument; dance; theater; and dramatic readings.

The Performing Arts Sunday Team is asking City Temple members to assist by identifying talented artists for our 4th Sunday services. If you have artistic talent or know talented artists that you would like to recommend, please complete the form below and give to one of the Team members listed below. When you submit the form, we ask that you also include a headshot of the artist, the artist's bio, and an example of the artist's work. If you do not have all this information to submit along with the form, please complete and submit the form nonetheless, and the Team will reach out to the prospective artist to gather additional information. All prospective artists will be vetted by the Performing Arts Team.

The Performing Arts Team thanks you in advance for helping to make City Temple's 4th Sunday a joyous worship experience!
